### 5. League Structure:

Our N1 structure aims to create a balanced, competitive season with clear pathways to advancement. Each age group division will ideally have 12 teams. Across 6 to 8 dedicated N1 weekends, teams will play two matches per weekend, completing 11 regular-season games. At season's end, the top six teams enter a round-robin playoff. The first of these playoff matches will take place on the last regular season N1 weekend. The rest of the playoffs will be played across 2 additional N1 Playoff weekends. The first-place team earns an ECNL Conference League Playoff spot\*. The runner-up qualifies for the US Club regional event in Oklahoma. The bottom six teams compete in a relegation playoff, where positions 7 to 10 remain safe, but positions 11 and 12 face a potential challenge for their spot.

If there are less than 12 teams in a division the following will apply:

**PLAYERS:**

- US CLUB Discipline Matrix and USSF Severity of Misconduct Matrix will be used as a guide to decide length on suspension for any disciplinary procedure.
- FIGHTING or MAJOR PHYSICAL ASSAULT will not be tolerated for any reason. Players sent off for fighting (striking or attempting to strike another coach, team official, player or spectator) will receive a minimum 3 GAME SUSPENSION and are subject to a longer suspension based on severity of aggression and pending league official's decisions.
- Referees will do their best to identify players that are involved in violent conduct and only those players will be punished. If violent conduct turns into a larger altercation the whole team will be subject to disciplinary actions.

- If, in the opinion of the Center Referee, a match must be terminated due to violent conduct, the offending team forfeits that match. If no offender can be clearly identified the game will be called a NO CONTEST and no winner will be named regardless of match type or score. (INCLUDING PLAYOFFS AND FINALS) These instances may lead to point reductions or suspension from the league.

#### **COACHING STAFF AND SPECTATORS:**

- US CLUB Discipline Matrix and USSF Severity of Misconduct Matrix will be used as a guide to decide length on suspension for any disciplinary procedure.
- In case of a violent situation within the field, coaches with valid IDs and Referees are the only authorized adults that may enter the field to control the situation.

  - Does not incite, participate in, or escalate conflict
  - Immediately disengages once officials gain control
- If spectators engage in a fight or violent situation before, during, or after a match the offending team forfeits that match. If no offender can be clearly identified the game will be called a NO CONTEST and no winner will be named regardless of match type or score. - Any instance of spectators entering the pitch in an unauthorized manner will fall under the PITCH INVASION POLICY.

DEFINITION: A pitch invasion is defined as any entry onto the field of play without the explicit permission of the referee, before, during, or after a match.

Any unauthorized entry onto the field is prohibited and will carry consequences, and at a minimum will result in an automatic yellow card to the head coach of the offending team. If the situation does not escalate, there is no physical violence, and the referee is able to quickly regain control, the match may continue at the discretion of the referee and/or EPPL staff, with additional sanctions as appropriate (including removal of spectators, red cards, suspensions, and bans).

#### Referee and EPPL Staff Authority
